

***Selectpersons Meeting  
September 12, 2012***

**Call to order: Mary Lee Rounds called the meeting to order at 6:00 PM**

**Selectpersons present:** Mary Lee Rounds, Beverly Bradstreet, and Mike Getchell

**Also present:** Winston Higgins, Andy Clark and Mike Spaulding.

The minutes from last two selectmen's meetings was accepted.

The Select board voted to appoint Jeanne Siviski and Marianne Cogswell as an alternate to the Planning Board and Marc Gilbert as a member until the Town meeting of 2013.

Dialog about the Animal control officer was held concerning his lack of enforcing the dog licensing law. The town of Albion will lose a significant amount of money if he does not collect the fees and fines.

Mary Lee Rounds made a motion to purchase eighteen road signs. Mike Getchell 2<sup>nd</sup> the motion, all in favor and passed. The amount of the road signs will be about \$220.00. The signs have become missing, it is imperative for safety reasons to have these signs in place.

A notice will be placed in the Town Line and other outlets to inform the citizens of Albion that they must have their mailboxes installed correctly according to the USPS. If their mailbox is not up to USPS standards and the plow truck damages or destroys it, neither the Town of Albion nor the plow contractor can be held responsibly.

Contract with NITRAM was signed for winter maintenance of Albion's roads.

Respectfully submitted by  
Mike Getchell
