Selectpersons present: Mary Lee Rounds, Beverly Bradstreet, and Mike Getchell

Spirit of America Award was present to Russell and Myrna Hamm for the outstanding contributions they have made to the people of Albion.

Katrina Dumont was interviewed for appointment to the School Committee. Beverly Bradstreet made a motion to appoint Katrina, Mike Getchell 2nd the motion, all in favor and passed.

SW Cole graded the gravel from KJ Halls gravel pit; it is good for road base and minimal for finish grade. More discussion is needed to determine if the gravel is acceptable for Albion's roads.

Beverly Bradstreet reported the budget spending is on track for this year.

Dialog was held with the representatives of the Albion Athletic Association about parking in the field behind the Besse Building in the spring when the field is wet. During the dialog, the topic of liability insurance was brought up; no one knows if there is insurance coverage for parking or for the ball field. Mary Lee Rounds will contact MMA to address the issue. Adam Higgins, the president of the association said [he did not want any kids on that field if there is no insurance coverage.]

Meeting adjourned at 7:30
