The July 1, 2016 to June 30, 2017 contract with Somerset County Communications Center was accepted and signed.

We discussed the need for a 3 year member of the Appeals Board. The position is open and needs to be filled as soon as possible.

The Albion Boy Scout troop was present to observe and ask questions as they are working on their Citizenship in the Community merit badge. Their main concern was road maintenance, how much it costs and which roads we will work on this year.
